To the Brothers Who Built Our Legacy —

April 27, 2026

We come from different eras of the Epsilon Gamma chapter, yet we share the same experience: a brotherhood that shaped us and connected us to something larger than ourselves. Whether that happened at West Louisiana, West Texas, Barnett Springs, or our current home on West Mississippi, we remain bound together as brothers.

Over the decades, brothers have stepped forward to build and sustain these homes for the chapter. Today, we ask you to join us in helping eliminate the remaining debt on the new chapter house and secure the future for Kappa Sigma at Louisiana Tech.

Your support will ensure that future brothers continue to build their character and our legacy for generations to come. Please use the enclosed reply form to make your leadership gift today or contact Scott or Blake directly.

Our collective thanks and AEKΔB,
